Subject Registration Confirmation: Independent Science Panel(s) on
Pebble's Baseline Studies

Dear Phil,

Thank you for registering for the Keystone Center's Independent Science Panel(s) on Pebble's Baseline Studies. You have registered for one or more of following panels:

- Geology and Geochemistry – October 2-3 (full day on the 2nd and half day on the 3rd)
- Hydrology and Water Quality Studies – October 3-4 (half day on the 3rd and full day on the 4th)
- Fish, Wildlife and Habitat – October 9-10 (full day on the 9th and half day on the 10th)
- Socioeconomic and Cultural Dimensions – October 10-11 (half day on the 10th and full day on the 11th)

The panels will take place from 8am to 5pm at the Consortium Library on the University of Alaska-Anchorage campus <http://consortiumlibrary.org/about/maps/>). Please note that while the event itself is free, campus parking fees may apply.

We will respond to questions and comments that have been submitted with the registration. For additional information, please visit <http://www.keystone.org/policy-initiatives-center-for-science-a-public-policy/environment/pebble-mine-dialogue.html>.

We will send you the link for the live webcast and will post it on the Keystone Center's website prior to the panel events.

Thank you for your interest in the Keystone science panels. Please let me know if you no longer plan to attend the event or if you have any questions.
